Lesson 2

Performance Management

Lesson Objectives

After completing this lesson you will be able to:

- Describe the benefits of performance management.
- Explain the importance of objectives.
- List tools to help you manage your performance.
- Place pay-for-performance in the performance management context.

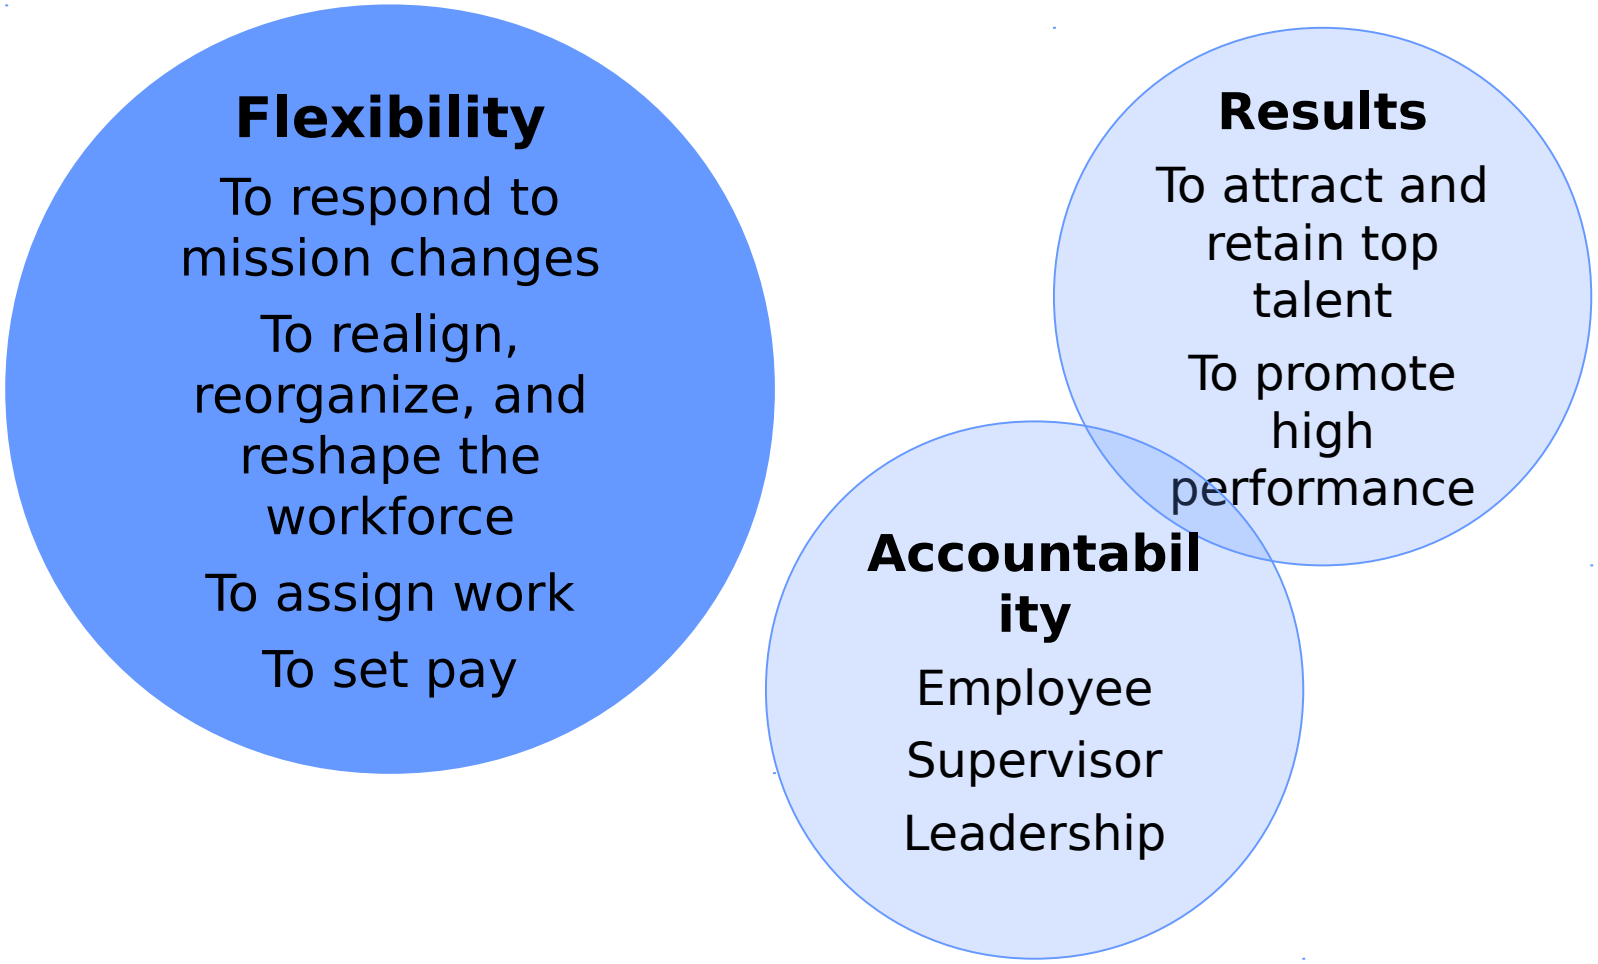
Group Discussion

- Benefits
- Motivation
- Changes

Background

- Increased specialization and shift in managers' roles
- P. Drucker, *The Practice of Management,* 1954:
  - "Avoid the activity trap."
  - "Negotiating a contract of goals" without "dictating a detailed roadmap."
- Employee participation in planning
- Motivation by placing contributions in context
- SMART: results focused objectives

NSPS Goals



Flexibility
